

A Friend at **heART**

The heART of Friendship has begun a sponsor-an-artist program called *A Friend at heART*. Sponsors are matched with a particular artist who will know your name and write to you on occasion. What we ask of you is a *monthly tax-deductible contribution of \$ 30.... just .97 cents a day*. Your gift connects the artist with the heART of Friendship Art Gallery that provides:

- Therapeutic art lessons
- Art supplies
- Life-skills training
- Economic independence
- Community opportunities

As a sponsor, you may visit the artist in the studio or even volunteer your time with his or her artistic development. The sky's the limit! You decide how much you want to be involved. Once you are approved, you will receive the artist's photograph and biography along with a small gift as a token of their appreciation.

Besides the monthly financial commitment, there are no other obligations...a small cost to put a smile on the face of someone we serve!
