LOVE STORIES

Featuring Guest Speakers & Authors
Ian & Larissa Murphy

When a car accident left Ian disabled with a brain injury, the couple looked to God for answers. They continued with their wedding plans and allowed their faith in God to lead them through their challenges of daily life as a young married couple living with a disability. Their story is truly inspiring and one you won't want to miss!

We know that for those who love God all things work together for good, for those who are called according to his purpose. Romans 8:28
