

Friendship Community – Visitation in Residential Settings

Updated March 2022 by URT/CRudy

- All visitors shall answer Friendship Community's current screening questions prior to entering the residence for the visit. If answering 'yes' to any of the screening questions, the visit shall not occur.
- Visitors will be requested to disinfect their hands with an alcohol based hand sanitizer (or soap and water if there is an allergy) as they enter the residential setting.
- Anytime visitors enter a residential setting, they are expected to wear a mask while indoors.
- Weather permitting, visitation should occur out-of-doors, to take advantage of increased air flow. Masks are not required of visitors, when visiting outside.
- Visitation will be limited to 2 visitors per Individual, when visiting indoors. All visits should be scheduled in advance with the Residential Manager.
- Should any of the Individuals within the residential setting start exhibiting covid symptoms and covid status has not yet been verified, the planned visit will need to be rescheduled.
